Additional Terms

The Friends of the Shelter Foundation assumes no responsibility or liability for personal injury or loss of property as a result of cat adoption. The Friends of the Shelter Foundation reserves the right to refuse adoptions based on any of the criteria above. New owner agrees to a **14 day trial period** in which both the cat and owner can adjust to each other. If for any reason the new owner cannot provide or is unwilling to provide a home for the cat, it will be returned to the rescue, not a shelter and they cannot be transferred to another person. We will always take our cats back into the rescue, no matter how much time has passed. Adoption fees are non-refundable upon return of the cat, however if it is done under good terms you may choose another cat within our rescue without incurring an additional adoption fee. You would have up to one year from the date of this application to do that.
